

July 12, 2005

To whom it may concern:

I had the pleasure of supervising Mike Jones from January 2005 through May 2005. I found him to be extremely conscientious and hard-working. He has extensive knowledge of pro audio, including recording and live sound applications, and I always found his customer service to be of very high quality. I would enjoy working with him again in the future.

Thank you:
